What causes Byagepata but acid? Do we not all know that when load sours in our stomachs, what mischief it produces in daily not sours in our stomachs, what mischief it produces in disrebra, dissentery, colle, and corruption of the blood? What is Scotula into a nacid hamour in the body? What produces all the business which bring on Ecuptions of the Skin. Scald Head, Sait Rheum, Erystipulus, White Swellings, Fever Sores, and all ulfrecations internal and external? It is nothing under heaven but an acid substituce, which nours, and thus spoils all the flidids of the body, more or less. What causes Rheumatsen but a sour and acid stand which incommates itself between the joints and elacutions arising the delicate insates upon which it ucts? So of nervour diseases, of impurity of the blinds, of darapped circulation, and nearly all the ailments which afflict human nature.

Now is we not hereible to make and sail and infamilia human nature.

Now is at not horrible to make and sell, and infinitely secret Now is it not horrible to make and set, and segments to use the SOURING. PERMENTING. ACID "COMPOUND" OF S. P. TOWNSENU.

and yet he would fain have it undersond that Old Dr. Jacob Townsend's Genuine Original Streagardle, is an IMITATION of his inferior preparation.

Heaven towhich that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article!

We wish it understood, heaven it is the absolute traff, that S. P. Townsend's article and old Dr. Jacob Townsend's Sarange, tills are heaven reide opart, and infinitely dissimilar; that they are unlike in every particular, having not one single thing in communic.

are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chesses, in no pharmaceutist-shows no more of medicine or disease than any other common, une sentific, unprotessman man, what gaurantee can the public have that they are receiving a genuine scientific medicine, containing all the straines of the arricles used in preparing it, and which are incapable of changes which might reader then the AGF-NT-of Dreases instead of health!

But what else should be expected from one who knows nothing comparatively of medicine or disease. If requires a person of some expectence to cook and serve up evan a counting decent meal. How much more important is it that the persons who manufacture medicine or elsewal I hat the persons who manufacture medicine designed for WEAK STOMACHS AND EMPERILED SYSTEMS. Should know wall the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants, the best manufacture of the medical properties of plants the best manufacture of the medical properties of plants and the medical properties of plants the best manufacture of the medical properties of plants the person of the medical properties of the medical pro WEAK STOMACHS AND ENFERRICED SYSTEMS, should know well the medical properties of plants, the bee manner of securing and concentrating their healing virtues also an extensive knowledge of the warrous diseases which effect the himman system, and how to adapt remedies to these diseases! It is to arrest framing upon the unintrunsize, to pour bain into wounded humanity, in kindle hope in the despateme bosom, to resure health, and bloom, and virgor into the crushed and large them, and to banish informly that OLD Dr. JACON TOWNSEND has SOUGHT and FOUND the or pursuity and means to bring his

Grand Universal Concentrated Remedy bin the reach, and to the knowledge of all who ared it that y may isam and know, by juritle experience, in Transcendent Power to Heal C. R. McCULLOCH, Agent, Fremont, Sandusky co., O.
